EUROPEAN UNION REGISTRATION, EVALUATION, AUTHORIZATION AND  
RESTRICTION OF CHEMICALS (*REACH*) STATEMENT

RAF Electronic Hardware is aware of the REACH Regulation (Registration, Evaluation, Authorization and Restriction of Chemicals Regulation, EC 1907/2006), the European Union regulation that is intended to regulate the use and importation of chemicals and substances into the European Union.

As a manufacturer of “articles” which do not intentionally release chemical substances, RAF Electronic Hardware is not subject to the REACH regulation’s registration requirements.

However, RAF will continue to work closely with our Customers and Suppliers to ensure compliance with all requirements of the REACH Regulations.
